

Hannah Brooks

Data Analyst

Canberra ACT | hannah.brooks@example.com | 0489 000 878

SUMMARY

Data analyst with three years turning messy spreadsheets into clear reports. I work in SQL and Python every day and enjoy explaining numbers to people who don't love numbers.

EXPERIENCE

Data Analyst

2022 – Present

Canopy Health Insurance, Canberra ACT

- Write SQL queries against the claims database to answer questions from the pricing team.
- Built Tableau dashboards that replaced 15 weekly spreadsheets.
- Automated a monthly report in Python, saving two days of manual work each month.

Graduate Analyst

2021 – 2022

Bureau of Regional Statistics, Canberra ACT

- Cleaned and checked survey data before publication.
- Wrote plain-language summaries of results for the public website.

EDUCATION

Bachelor of Science (Statistics), Eastbrook University, 2017 – 2020

SKILLS

SQL · Python · pandas · Tableau · Statistics · Data visualisation

VOLUNTEERING

Volunteer treasurer, Canberra Community Garden (2023 – Present).
